About RSI

4904

Restaurant Services, Inc. (RSI) is an independent member-owned purchasing cooperative serving BURGER KING® restaurant owners in the United States.

RSI was founded in 1991 as the exclusive purchasing agent for the vast majority of products used by the U. S. BURGER KING system. Its primary purpose is to leverage the buying power of BURGER KING restaurants to achieve favorable contracts for food, packaging, premiums, promotion products, supplies, equipment, distribution and related services on behalf of more than 8,300 restaurants.

RSI's Board of Directors is comprised of BURGER KING franchisees, elected by region, one Burger King Corporation representative and one member appointed by the Minority Franchise Association. The cooperative maintains a close working relationship with Burger King Corporation, with respective roles and responsibilities outlined in a formal Operating Agreement.

RSI works closely with restaurant owners, Burger King Corporation, food and packaging suppliers, marketing agencies, equipment vendors, distributors and information systems providers to streamline and improve the supply chain efficiency

FIG. 55

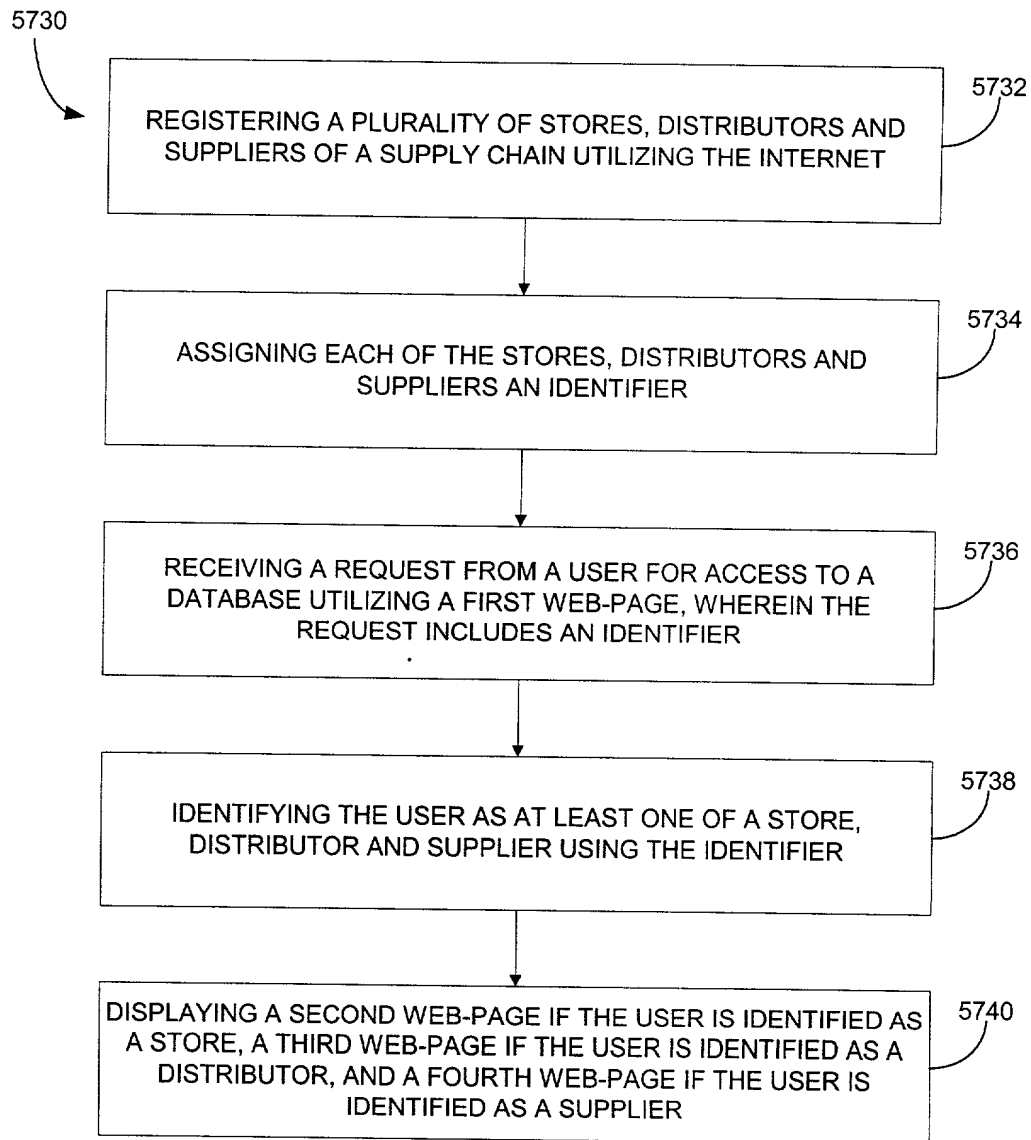

FIG. 57

Fig. 58 is a block diagram of a system 5800 for managing a supply chain. The system 5800 includes a Franchisee 5802, a Distributor 5804, a Supplier 5806, and a Raw Material Supplier 5808. The Franchisee 5802 is represented by a large oval containing three smaller circles, each labeled "Rest". The Franchisee 5802 sends "Sales" to the ISCM 5800 and receives "Shipments" from the Distributor 5804. The ISCM 5800 is a central oval that receives "Forecasts" from the Franchisee 5802 and the Supplier 5806, and sends "Orders" to the Franchisee 5802 and the Supplier 5806. The Supplier 5806 sends "Shipments" to the Distributor 5804 and receives "Orders" from the Distributor 5804. The Supplier 5806 also sends "Orders" to the Raw Material Supplier 5808, which in turn sends "Shipments" to the Supplier 5806.
